We understand that you may need to change or cancel your booking. You can do this without any charge up to 24 hours before the booked appointment. After that time, the prepayment amount will be non-refundable or we will charge you up to 25% of the cost of the booked services using your Financial Data you provide us according to our Privacy Policy.

Your appointments are very important to us. If you are late for your appointment we will do everything to accommodate you, however if it is not possible for us to extend your appointment time you will be charged a full appointment charge.

The time of your appointment is reserved only for you and we kindly ask that you let us know at least 24 hours in advance. Our cancellation policy is strictly 24 hours for all customers. If we don't receive 24 hours' notice to cancel your appointment then unfortunately, your deposit becomes non-refundable or we will charge you up to 25% of the cost of the booked services using your Financial Data you provide us according to our Privacy Policy.

If you buy a package of services at a special price and then you decide to refuse from such package we will charge you for the services actually provided to you (if any) within such package at their ordinary price and we will decrease the amount of your refund by relevant amount for such provided services.

Refund is only applicable when there is allergic reaction or excessive damage caused by the services/treatments you have received in GA Salons.

We are happy to correct any colour/haircut that has been done in the salon and it's technically incorrect according to our technology of hairdressing - free of charge.
